

WELCOMING CONGREGATION RESOLUTION - MAY 15, 2005

WHEREAS the Marquette Unitarian Universalist Congregation established a Welcoming Congregation Committee in 2003 to inform and sensitize people to the issues and concerns of gay, lesbian, bisexual and transgender people,

WHEREAS we have sponsored a program of classes, adult forums and Sunday services; participated in community programs; and

WHEREAS we are a member congregation of the Unitarian Universalist Association, the latter with a strong history for taking early stands in matters of conscience concerning minorities,

BE IT RESOLVED that the membership of the Marquette Unitarian Universalist Congregation takes cognizance of suggested guidelines developed by the Unitarian Universalist Association as a foundation from which to continue the process of welcoming gay, lesbian, bisexual, transgender and all minorities and declares for the record that it is a **WELCOMING CONGREGATION**.
