January 31	"The Last of the Old Fashioned Winter Lovers." Service Leader: February Sky** Followed by CONGREGATIONAL MEETING	NO FORUM

Our UU Principles
We covenant to affirm and promote:

The inherent worth and dignity of every being;

Justice, equity, and compassion in human relations;

Acceptance of one another and encouragement to spiritual growth;

A free and responsible search for truth and meaning;

The right of conscience and the use of the democratic process;

The goal of world community with peace, liberty and justice for all;

Respect for the interdependent web of all existence of which we are a part.

**At Solstice we celebrate the beauty of Winter, but come January 1st the lights go out, the tinsel is in the garbage and the parties are over. Not so very long ago, Winter was seen as a season with its own unique pleasures and delights just like any other. This service will explore the possibility of finding a way to enjoy this time rather than simply enduring it. – February Sky

Valentine's Tea

On Sunday, February 14th, RE will continue our tradition of hosting Gifts of the Heart Valentine's Tea Service. The service is abbreviated and led by our children with a luncheon to follow. In RE, we will work with children to come up with a theme, choose readings and learn a song to share. Also, please talk to your child/ren and ask them if they would like to participate. In the past, we have had children/young adults sing, play instruments, read poetry, share jokes, and dance. Please let me know if your child would like to participate.

More details to come, but please, mark your calendar and join us if you can.

Family Event

We would like to host a family event in February. Most of you have seen the plates decorated by RE youth. They are 10+ years old and many of the kids are grown up. We want to capture the talent of our current youth and recently purchased materials to create bowls. (Think: Annual Soup Dinner). We will also bring out games and enjoy a meal together. If there is a Friday or Saturday late afternoon/early evening that works best for you, please let me know and we will plan event around those who want to participate.

Thank you!
