The Halloween Spectacle

The **Halloween Spectacle** is fast approaching and a great deal still needs to be done. We asking as many groups and individuals as possible to participate in the lantern project. The project makes use of a 2 liter plastic bottle. It is simple and cheap yet can be quite beautiful. I can not over emphasize the importance of the lanterns for the safety of our paraders. Marching at sunset is really great fun for Halloween but the darkness is a hazard. By participating in the lantern project you are not only helping with our safety but also helping to fulfill the theme visually which this year is Spirits of the Lake. A workshop will be held on Saturday October 18th at the MACC. Materials and work space are available for drop in times if you can't make the workshop. Instructions are posted on the website if you prefer to work in your own space.

There are 2 other free workshops which you should know about. On Saturday October 18th and 25th from 10-1:00 we will be at the farmers market carving pumpkins. We need to carve 100 pumpkins! The pumpkins will be used in the Spectacle and given to their creators at the end of the performance. We will also have a Zombie make-up workshop on Sunday October 19th at the MACC. We will have professional make-up artists with their equipment demonstrating zombie creation ala Pirates of the Caribbean. Please spread the word!

Finally, we are still looking for volunteers to operate some of the giant puppets. Twenty-two people are needed this year to handle these mammoth beings. Call me at 226-8934 if you can help.

Thanks
Deb
