FROM: Community Support & Outreach Committee

Our main focus is outreach to possible new members and those who have ceased to attend. We continue as individuals to help members with rides for appointments, and to welcome visitors while helping create a hospitable and welcoming meeting house on Sunday morning; whether that's clearing the entrance and paths of snow and ice, greeting arrivals before the service, helping in the kitchen, or engaging those who are visiting to make them feel welcome. Our committee plays a crucial role in creating a warm and friendly environment. Several of us have helped with Room at the Inn as well so we are doing our part as committee members.

We are **Gathering Newcomers this Sunday (20th) after the Stewardship luncheon with plans to answer questions of those who may be considering membership in our congregation or just want to share stories about the paths that brought them to our door. Please be a part of that conversation. Each of you has a unique story and have become engaged, participating members of our congregation. You are just the kind of people to serve as "ambassadors" for our congregation.**

Please let me know if you will join us after the luncheon. Thanks for all you do for our congregation and our community.

See you Sunday,
Tim VanderVeen
