- Our UU Principles**
 We covenant to affirm and promote:
- The inherent worth and dignity of every being;
- Justice, equity, and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

*"Come, come whoever you are - wanderer, worshiper"
 This Sunday is our traditional, UU Flower Communion service. Please remember to bring a flower ("or even a twig" as founder, Norbert Capek would say). We will put the flowers together, symbolizing the gifts we bring from our varied beliefs and lives. The children and youth will place the flowers on the table at the front shortly after the service begins. Near the end of the service, each person will take home a different flower as a reminder of the presence of another in our beloved community. We are adding a new element to this year's service, and graduating senior, Maitri White, will sing!*
