7 Principles of Unitarian Universalism
Affirm & Promote:
 The inherent worth and dignity of every person;
 Justice, equity and compassion in human relations;
 Acceptance of one another and encouragement to spiritual growth in our congregations;
 A free and responsible search for truth and meaning;
 The right of conscience and the use of the democratic process within our congregations and in society at large;
 The goal of world community with peace, liberty, and justice for all;
 Respect for the interdependent web of all existence of which we are a part.

On Sunday, July 12 following our 11 o'clock Marquette UU service, our congregation will be gathering for a **Memorial Cedar Planting Ceremony** for Nell. Refreshments will be served following the brief ceremony of song, readings, and shared memories. All are welcome. We will host a small reception following the tree-planting in memory of Nell this Sunday. If you can bring something to share, that would be wonderful.
