Our UU Principles
We covenant to affirm and promote:

The inherent worth and dignity of every being;

Justice, equity, and compassion in human relations;

Acceptance of one another and encouragement to spiritual growth;

A free and responsible search for truth and meaning;

The right of conscience and the use of the democratic process;

The goal of world community with peace, liberty and justice for all;

Respect for the interdependent web of all existence of which we are a part.

The UUUP Summer Fest is this weekend!

Please note that all activities are scheduled in **Central Time**. There will be some meat provided however, it would be great to bring your own items to grill and some to share as well. If you are interested in providing some burgers or hot dogs to grill for the group, please let Joseph know. Also, please RSVP to Joseph Mold if you have not already done so josephmold@gmail.com
