

This 'n' That

Date	Service (11 a.m.)	Forum (9:45 – 10:30a.m.)
September 13	“Water Communion Intergenerational Service” Service Leader: Teri Rockwood	“Police Use of Lethal Force in the U. S.,” with Greg Zyburt, Chocolay Township PD. Host: Barb Michael

7 Principles of Unitarian
Universalism

Affirm & Promote:

The inherent worth and
dignity of every person;

Justice, equity and
compassion in human
relations;

Acceptance of one
another and
encouragement to
spiritual growth in our
congregations;

A free and responsible
search for truth and
meaning;

The right of conscience
and the use of the
democratic process
within our congregations
and in society at large;

The goal of world
community with peace,
liberty, and justice for all;

Respect for the
interdependent web of all
existence of which we are
a part.

PRIDEFEST!!!

Saturday, Sept 12
(see attached flyer!)

Check us out on the web

@

mqtuu.org

or

A couple reminders:

*Celebrate and support U. P. Rainbow Pride Fest this Saturday! Rally begins at 11am at the Commons with Nancy Irish and Corinne Rockow, followed by a walk to Tourist Park for a day of entertainment and festivities. Come help at the UU booth if you like and honor our continued Welcoming Congregation status, including celebrating same-sex marriage! If you'd like to drum with Patty Sarvello at noon but do not have a drum, contact Barb Michael on Thursday or Friday at 273-1174.

*Bring water and special memories of summer to service with you on Sunday!

A VOLUNTEER IS NEEDED:

The Board of Trustees is in need of one more member! If you are interested in how the Board works and would like to have input in matters of the congregation please join the Board! **EVERYONE IS WELCOME** to attend the monthly board meetings. Please stay after Service on **Sunday, September 20 for the next meeting of the MqtUU Board of Trustees.**

A SPECIAL REQUEST:

Please check this out. Clara is (raised UU/Dan and Alice's oldest daughter) from Marquette and this program is amazing. Easy to vote and you are only able to vote one time. Voting ends 9/14 so do it today, if you are so moved!

<http://t.co/ADjyCTMevl> Please text ART1 to 22333

HAPPENIN' IN MARQUETTE:

Farm tours on Sept. 13

For ten years, the Marquette Food Co-op has been coordinating tours of **local farms** to offer everyone the opportunity to connect with local food. In that span of time, the food landscape in the U.P. has changed to reflect an increasing interest in supporting local economies, the growth of farmers markets, and more people focused on the connections between food, health, and healthy communities. The farms are the backbone of this movement, because it is their risk, their hard work and ingenuity – and their food – that has been driving our local food revolution.

In the past, the tours have been held throughout the summer. This year, **all tours will be held on Sunday, September 13th from 12 – 5pm at participating farms.** Tours are designed so that you can stop by the farm within that time frame to take a tour, meet the farmers, and even purchase fresh produce, flowers, and other goods right there on the farm. As always, the tours are free and open to the public. Like farming, the tours go forward rain or shine. Please dress appropriately for the weather. Stop in at the Co-op or visit www.marquettefood.coop for directions and more information about each farm.

@NMU:

Friday, Sept. 11 at Noon (JXJ 1318) –What do we know about Climate Science? Dr. Norma Froelich will take us through an interactive discussion about the climate system. (SEE ATTACHED FLYER)

The September "Share the Plate" recipient is:

Doctors without Borders

Amid the Parisian upheavals of May 1968, a group of young doctors decided to go and help victims of wars and major disasters. This new brand of humanitarianism would reinvent the concept of emergency aid. They were to become Médecins Sans Frontières (MSF), known internationally in English as Doctors Without Borders.

<http://www.doctorswithoutborders.org/>

It ain't easy being green...but we try to make it easy for you.

Since our Congregation began recycling e-waste with Planet Green, we have received \$420.77, and Treasurer g.g. gordon just sent in another full box of used ink cartridges, cell phones, cords, and cameras.

So, this program benefits both the environment and the Congregation! Thanks to all of you who have kept the recycling boxes full!

Please keep bringing in your no longer needed small electronic items and computer ink cartridges, and we will continue to work for planet health and put some extra cash in the Congregation's pockets as well.

The recycling boxes have been moved from the vestibule to the kitchen, so please place your items in the boxes there. Thanks!

TOMORROW:

The Marquette Interfaith Forum speaker on Sept. 11 is **Burt Purrington, PhD**. He will lead a discussion on:

"Racism, White Privilege, Political Correctness and the Trump Phenomenon: Religious Approaches to Reconciliation"

Burt Purrington is a retired anthropology professor whose major interests are Southern Appalachian, Native American and Afro-Caribbean cultures. His activities include archaeological and ethnographic fieldwork with the Eastern Cherokees of North Carolina and ethnohistoric study of lynchings in the American South as well as civil rights work in the South and volunteer relief and development work in Haiti since 1997.

This promises to be an interesting, stimulating and very relevant topic. Hopefully we will have a great turnout for Dr. Purrington and the "kick off" of our 2015-2016 MIF season.

The meeting will probably be at "Little Jimmie's" but I need to confirm availability with the Episcopal Diocese office on Monday and send out an follow-up e-mail announcement confirming the location.

MqtUU Mission Statement

We, the members of the MqtUU Congregation, are:

Brought Together by a Core Belief in the Power of Love and are
Committed to Building Beloved Community.

We Care for, Nurture and Support the Spiritual Growth of One Another:

We Share Reverence for our Natural Environment and are dedicated to the Respectful Stewardship of the Earth:
and

We Work Together to Bend the Moral Arc of the Universe Toward Justice, Fairness and Compassion.

So, what do we know about Climate Science?

THE NORTHERN CLIMATE NETWORK COLLOQUIUM SERIES

SEPT 11

NOON, FRIDAY

JAMRICH HALL

1318

Dr. Norma Froelich

NMU EARTH, ENVIRONMENT AND
GEOGRAPHICAL SCIENCES DEPARTMENT

Get a broad overview of the climate system. Be prepared to think about the amazing complexity of the global climate and how understanding that complexity is the first step in predicting future climate variability.

- ▶ Presentations are free and open to everyone
- ▶ Bring a brown-bag lunch
- ▶ Stay after for a group activity and discussion

**JOIN US FOR THE MARQUETTE CLIMATE MARCH
AND FESTIVAL SEPTEMBER 26**

The Northern Climate Network is a campus-community consortium seeking to share scholarship on climate change from a wide range of disciplines.
