

All are invited to our circle for Esbat on Saturday, March 5th at the UU at 4PM for a "magical" experience!

We will explore the true nature of who we are, the nature of what energy actually is and how to practically apply it in modern day dreams and pursuits. Be forewarned: this Esbat will take the "magic" out of storybooks and place it in your heart! No matter your belief, faith, or background, ALL are welcome to this circle of human empowerment!

Hosted by: High Priestess Leanne Swan
